

RIL LAKE COFFEE TABLE BOOK

Having trouble getting started on your history at Ril???

Here are some ideas/questions to consider!

1. How did you first find out about Ril Lake?
2. When did you purchase your property/cottage?
3. Who did you first meet when you came to Ril Lake?
4. What events/people stick out in your mind during the time you have been coming to the lake?
5. What changes have happened to your property/cottage over the years?
6. What major events in your life have been celebrated at Ril Lake?
7. What is it about Ril Lake that draws you back?
8. If you are a permanent resident, how long have you been living here?
What made you decide to make your residency permanent?

Consider adding/submitting copies of pictures, maps, documents or anything of historical Ril Lake value to be added to your contribution!

It is absolutely crucial that we get contributions from as many residents as possible.
